SUPPLEMENT AS TO ADVICE OF COUNSEL DISCOVERY REQUIREMENTS

In *United States v. Richard Gross, et al*, 4:14-CR-187 JAR, the United States moved in limine to preclude an advice of counsel defense. Doc. No. 212. At a pretrial conference held on March 31, 2016, the Court determined that defendants would need to make a full proffer of the evidence as to the advice of counsel defense. Doc. No. 220. That hearing was held, before trial, on April 1, 2016. Doc. No. 223. Following that hearing, at which the defendants had to make a full showing as to the evidence in support of advice of counsel, the District Court granted the government's motion in limine to preclude the advice of counsel defense.

Respectfully submitted,

SAYLER A. FLEMING
United States Attorney
